## REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: As noted by applicant, the claims require a single wall separating the first and second lumens while the Ash et al reference requires two walls separated by a membrane so that the lumens may be separated during membrane breaking. The examiner would consider it an unreasonable interpretation to consider such an arrangement to have a single wall separation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark W Bockelman whose telephone number is (571) 272-4941. The examiner can normally be reached on Monday - Friday 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Angela Sykes can be reached on (571) 272 -4955. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
